Chincoteague Island, VA—June 10, 2020: Chincoteague Island is now in Phase II of Governor Northam's Forward Virginia Plan to reopen the Commonwealth. Many restrictions have been lifted, indoor dining is available, pools are open, boat cruises are running and so much more. Please enjoy a sampling of the fun times ahead as you watch our "We're Open" video at <https://www.chincoteaguechamber.com/health-public-safety-awareness/>.

Restaurants are now open for inside dining, but a picnic at the beach or at one of the waterfront parks in town with take out from a fabulous restaurant or food truck can still be fun after spending hours on the calm waters of the Assateague and Chincoteague Channels in canoe, kayak, or boat. Swimming, sunbathing, hiking, or fishing can be enjoyed at Assateague Island National Seashore located within the Chincoteague National Wildlife Refuge which is open from 5 a.m. to 10 p.m. beginning June 12. Count the new foals in the Chincoteague Wild Pony herd if you can---there are close to 60 now! You can see them from the nature trails, driving or biking along Beach Road or along the marshes of the Assateague Channel by boat. Rent a motorized scooter or low speed vehicle to explore the island at a leisurely pace if pedaling is not your speed. Nature cruises around the islands, guided history walking tours, mini golf, and of course, shopping will fill your days.
