Registered Apprenticeship is a flexible training model that can be customized to meet the needs of businesses across multiple industries.

- **Paid Job** - Apprentices are paid employees who produce high-quality work while they learn skills that enhance their employers' needs.
- **On-the-Job Training** - Develops skilled workers through structured learning in a work setting.
- **Related Technical Instruction** - Improves job-related skills through education in a technical setting, virtual or in-person.
- **Mentorship** - Provides apprentices with the support of a skilled worker to assist and enhance critical hands-on learning.
- **Credentials** - Offers a portable, nationally-recognized credential to be issued at the completion of the program.
